Review of Knowledge exchange discussion related to policy

1- From Project-Based to Stable Funding

**Do we want to put forward a statement
as a CoP to advocate for long-term,
sustainable funding models?**

2-Broad Integration of TVI Practices

**What are the TVI principles or practices
we feel confident to elevate as policy
recommendations?**

3-Learning Together: The Value of a CoP

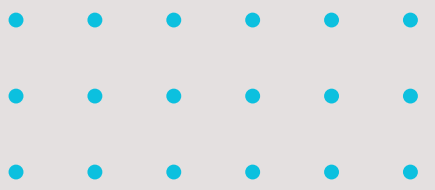

Do we want to make a policy recommendation about incorporating CoPs into funding programs?

4-Other Contributions

- **What's missing?**
- **What resonates?**
- **Is there another statement the CoP wants to propose?**

Small group discussion

Large group discussion

**What is our
collective message?**
